San Diego Lifeguard History Project

**Funds raised will be used to establish a 6' 2" Lifeguard Bronze honoring the history of the
San Diego City Lifeguards and memorializing the tragic drowning of 1918 which claimed the
lives of 13 victims creating a cry for improved lifeguard protection along San Diego and
Southern California beaches.**

This Lifeguard Bronze sculpture created by artist and Point Loma High graduate Richard Arnold, was envisioned by former OB Lifeguard, author and Judge Bob Baxley. The project is part of the Ocean Beach Lifeguard Station Safety and Enhancement Project in cooperation with the City of San Diego and community groups of Ocean Beach including the Ocean Beach Merchants Association, Ocean Beach Town Council, Ocean Beach Foundation, Ocean Beach Historical Society, Sunset Cliffs Surfing Association, San Diego Lifeguard Alumni, San Diego Lifesaving Association, San Diego Junior Lifeguard Foundation and citizens though out San Diego.
